UAAE Post-Secondary Committee
Committee Chair Review 2006-07

Please examine your committee's responsibilities closely. Have committee members answer the following questions:

1. Does this committee have a purpose? What is this committee's purpose?

Not as it is set up now

2. Is this committee functioning properly? Does it really carry all of its responsibilities?

Not really; it should be set up to find ways that post-secondary education programs can help ag programs and help students in post-secondary programs transition into full membership

3. Do all committee members have assignments?

No

4. Is another committee duplicating our committee work in some areas? (A listing of all other committees and their assignments is attached.) How could this best be resolved?

Membership Committee – Let the membership committee invite and recruit post-secondary educators; use post-secondary for other purposes mentioned above.

5. Please establish "Action Items" for each of the "Ways and Means" identified for your committee. (Please list the "Action Items" for each of your "Ways and Means" on the back side of your committee member list.) Turn in all items to the UAAE Secretary.

No response.

6. REPORT QUARTERLY – at Fall UAAE meetings (during UEA), Mid-Winter Conference (UACTE), FFA State Convention advisors' meeting, and during our annual Summer UAAE Conference in June. At each of these meetings, please indicate the progress of each of your action items that have been identified. Committee reports should be reported in the "Yellow Dog" and discussed at these meetings if there needs to be any action on pending matters.
- a. Report should be given to the "President-Elect" who oversees committees.
 - b. Report should also be given to the Reporter for publication in the "Yellow Dog".

- 1. Committee could make recommendation for in-service, curriculum development, and research*
- 2. How can post-secondary help students – CDE training, post-secondary opportunities*
